TFDA Disaster Team

Volunteer Application

The Texas Funeral Directors Association has long been called upon by local, state, and federal government agencies as well as other funeral directors and embalmers to provide rapid, professional, and ethical response when a disaster or mass fatality event has taken place within our borders.

The TFDA Disaster committee is seeking volunteers for two separate teams: Funeral Directing and Embalming. These teams will be contacted and deployed by the TFDA Disaster Committee when needed.

Thank you for your interest in volunteering for the TFDA Disaster Team.
