## TFDA DISASTER TEAM NEEDS YOUR HELP

The Texas Funeral Directors Association has long been called upon by local, state and federal government agencies as well as other funeral directors to provide rapid, professional and ethical response when a disaster or mass fatality event has taken place within our borders. The Association recognizes its responsibility and the need for a well-organized plan of activation when assistance is requested.

There will be 2 training classes per year. First Class Room training in January in Austin at the TFDA Headquarters. Hands on training in March in Waxahachie with TFDA Trailers and DSHS refrigerated trailers. Confirmed dates will be posted.

It will be required to have both trainings and be up to date on membership fees to be deployed. You have to be a member of TFDA or employed by a member firm. It was decided to give everyone 2 yrs to have both classes.

Annual Membership Payment information  
We accept Amex, Discover, MC & VISA
